

COVID FUNCTIONAL FRAMEWORK

COVID FUNCTIONAL FRAMEWORK & By Laws

AFL Victoria and its affiliated bodies seek to provide a safe, welcoming, and inclusive environment for people to experience Australian Rules Football, to overcome adversity and unite communities through the game of Australian Rules Football.

As the governing body, through the provision of leadership and being outcome focussed, we will focus on what can be done, to Return to Play and supporting our Leagues.

The COVID Functional Framework is to support Community Football for a Return to Play in 2022 and beyond recognising the potential impacts of any interruptions and being prepared for the various scenarios:

- It includes a set of agreed terms that will work as 'triggers' (By Laws).
- It will remove ambiguity around decision making, reduce the stress and anxiety on administrators/volunteers and clearly outline the way forward in a simple, concise, and easy to understand format.
- The Framework is focussed on the provision of By Laws that will allow the management of a season following the cancellation of 2020 and impacted 2021 seasons.

In the COVID environment we need to establish a minimum viable season will be a version of our normal with enough features to be usable by leagues, clubs, and participants.

Don't let perfect get in the way of good.

What does this mean? It doesn't have to be perfect; the highest priority is to Return to Play in a safe and welcoming environment. Quality and equitability come a distant second to the goal of creating a season that gets underway, can be flexible with fixturing and can accommodate a finals series.

This Framework is built on the willingness to present a viable season that gives participants the opportunity to participate and provides the vehicle to feel connected in difficult times.

It is proposed that each League adopt By Laws and regulations which can manage the scenarios of an impacted season.

COVID FUNCTIONAL FRAMEWORK

Recommended COVID FUNCTIONAL FRAMEWORK & By Laws

Governing Principals

- That the health and safety of the community remains the highest priority
- That whilst balanced competition is important, that the opportunity to participate whenever possible be of higher priority
- That where possible the H&A and Finals shall be conducted within the traditional timeframes
- Equality in the draw be of lesser importance than opportunity to participate whenever possible
- That a minor premiership be awarded once a minimum of 9 H&A games be achieved
- That a minimum viable season which triggers a finals series be the maximum number of games possible and not influenced by traditional fixture requirements and expectations
- That a Finals Series be played with a minimum of 1 week (1 v 2) and up to a traditional final's series of 4-5 weeks
- Should any scenario occur which is not covered within these By Laws then the matter shall be referred to the League Executive to determine at their absolute discretion

Subject to changes in the Federal or State Government COVID Restrictions and AFL Victoria Protocols, a season may be impacted which shall trigger the implementation of the following By Laws.

1. Vaccinations Policy

Refer to the Victorian Government website [How we live: Information for Victorians | Coronavirus Victoria](#) and **Getting active**.

Vaccination requirements don't apply to people involved in community sport (e.g. a local footy match) or people using swimming pools for essential medical care like hydrotherapy.

If the space is being operated only for the purpose of community sport, participants, spectators and workers (including volunteers), are excluded from the vaccination requirement.

2. Positive COVID TEST

Should a Player/Official receive a positive COVID Test Result, they must immediately follow Victorian Health Authorities directions.

The Player/Official must advise the Club immediately of the positive COVID Result and the Club assess the potential extent of exposure to its players and officials and notify the relevant League Manager immediately.

Based on the extent of exposure, should the number of players in COVID isolation affect their ability to field teams the relevant By Laws shall be enacted.

Public Health Authority shall advise on an individual's ability to Return to training or playing.

3. Impact of a COVID Interruption to Open Age Team Player availability
